## The high-performance change machine for dispensing large quantities of coins

- **High coin capacity**  
Approximately £11,000 in £1 coins or 22,000 € in 2 € coins.
- **Easy to fill hoppers**  
Service friendly filling of the hoppers via a pull out draw.
- **Fast parallel payout**  
of the coins with high security and reliability.
- **Simple to operate and service**  
due to the height of the banknotes reader and the collection point for coins from the output tray. Service and audit data via 7" touchscreen.
- **Choice of banknote recycler/dispenser:**  
**Merkur Dispenser 100**  
Three banknote values each with a maximum recycling capacity of 34 banknotes and a banknote cashbox for approx. 400 or 550 banknotes  
**JCM iPRO-RC (with recycler)**  
Two banknote values each with a maximum recycling capacity of 100 banknotes and a banknote cashbox for approx. 400 or 800 banknotes. Fast bulk reloading of the recycle boxes.
- **Choice of banknote validator:**  
**JCM EBA 40**  
with a banknote cashbox of 400/500 banknotes  
**JCM iPRO (without recycler)**  
with a banknote cashbox of 500/800 banknotes
- **Coin validator**  
Also makes it possible to change coins to coins or purchase tokens.
- **Housing security features**
  - ▶ Sheet steel housing 3 mm thick
  - ▶ Single-wall front door with strong five-point hook lock
  - ▶ Double locking system (enables the „four-eye principle/dual controls“)
  - ▶ Locking via cylinder lock and locking lever

## Hardware and software

- **Internal PC control**  
Based on Linux. An Uninterruptible Power Supply (UPS) ensures data backup during a power failure.
- **7" TFT colour display**  
For simple interactive user navigation.
- **Network technology**  
Wireless connection via WiFi and UMTS possible.
- **Various setting options via the web interface:**  
Statistics polling, log data, error return, billing, email forwarding, and more.
- **Web-browser technology**  
Software settings possible from anywhere in the world.

### Dimensions and weight (all specifications are approximate)

**Dimensions**  
(height/width/depth)  
165/37/46 cm

**Floor plate**  
(width/depth)  
50/75 cm

**Weight**  
Cabinet                    135 kg  
Floor plate                25 kg
